

## Appendix - Simple vs. Complex Finder Files

March 2014

### **SIMPLE**

**Cost = \$2,500**

*\*Maximum of enrollment search with 1 claim type, or claim only search with no more than 2 claim types. Maximum of 2 conditions for enrollment, and 1 condition per claim type.*

Examples:

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Carrier	2011	ICD9 diagnosis codes 170.0 – 170.9

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Master Beneficiary Summary File	2011	HMOIndicator [BENE_HMO_IND_XX] where all 12 monthly indicators equal "0"
100%	Inpatient	2011	PRNCPAL_DGNS_CD equal to (433.01, 433.11, 433.21, 433.31, 433.81, 433.91, 434.01, 434.11, 434.91)

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Carrier File	2009-2011	HCPCS_CD values: 00100 - 01999

## Appendix - Simple vs. Complex Finder Files

March 2014

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Outpatient RIF	2002 – 2012	341.0, 341.2, 341.21, 341.22, 323.82, 377.3, 377.32, 340, 695.4, 710.0.
100%	Inpatient RIF	2002 – 2012	341.0, 341.2, 341.21, 341.22, 323.82, 377.3, 377.32, 340, 695.4, 710.0.

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Minimum Data Set 3.0	January 2011 to December 2012	All residents – 50 states

## Appendix - Simple vs. Complex Finder Files

March 2014

---

### **COMPLEX**

*Cost = \$5,000*

*\*Anything exceeding the simple query parameters outlined above.*

Examples:

<b>Cohort selected against 5% or 100% files?</b>	<b>File(s) to be searched</b>	<b>Year(s) to be searched</b>	<b>Description of the search</b>
100%	MedPAR	Cohort 1: 2006-2007  Cohort 2: 2006-2009	Limit to short-term general and specialty hospitals in the state of Pennsylvania (PRVDRNUM)  - Provider number first two digits 39 and 73 for Pennsylvania  - Provider number last four digits 0001-0879  Limit to patients with ICU services  - All patients with a value for variable for ICU indicator code (ICUINDCD)

## Appendix - Simple vs. Complex Finder Files

March 2014

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	MBSF, Outpatient <u>and</u> Carrier Files	2011	<p>Search by CPT Codes for cataract surgery: 66982, 66984, 66850, 66920, 66930, 66940, 66983;</p> <p>Include patients age 66 or older who were enrolled in Medicare Part B during the 12 consecutive months prior to the date of their initial cataract surgery;</p> <p>Patients who were simultaneously enrolled in a Health Maintenance Organization plan during this time period should be excluded.</p>

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	MedPar	2010-2012	<p>Diagnosis = 205.0x, 205.3x, 206.0x, 207.0x, 207.2x, 208.00, 208.01, 204.0x, 238.72, 238.73, 238.74, 238.75, 196.xx, 200.xx, 201.xx, 202.xx, 203.xx, 238.6, 204.1x, 205.10, 205.11, 05.12, 284.89, 284.90, 171.xx</p> <p>OR Procedure= 41.00 - 41.09, V42.81, V42.82</p>
100%	Outpatient Carrier	2010-2012	<p>Diagnosis = 205.0x, 205.3x, 206.0x, 207.0x, 207.2x, 208.00, 208.01, 204.0x, 238.72, 238.73, 238.74, 238.75, 196.xx, 200.xx,</p>

## Appendix - Simple vs. Complex Finder Files

March 2014

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
			<p>201.xx, 202.xx, 203.xx, 238.6, 204.1x, 205.10, 205.11, 205.12, 284.89, 284.90, 171.xx</p> <p>OR HCPCS= 38240, 38241</p>

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Outpatient	2004-2010	<p>Patients who have at least one of the following ICD-9 code:</p> <p style="text-align: center;">715.14,719.44,718.44,728.87,715.04,715.94</p> <p>AND received at least one of the following procedure codes:</p> <p style="text-align: center;">25210,26841,25447,25310,25441,26565,20924</p>

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Inpatient	2009-2011	<p>At least one claim for the following codes in any position 203.xx, 196.xx, 200.2x, 202.xx, V10.7x</p> <p>Also, at least one claim for the Part B drugs in attached document</p>

## Appendix - Simple vs. Complex Finder Files

March 2014

---

Cohort selected against 5% or 100% files?	File(s) to be searched	Year(s) to be searched	Description of the search
100%	Outpatient	2009-2011	At least one claim for the following codes in any position: 203.xx, 196.xx, 200.2x, 202.xx, V10.7x  Also, at least one claim for the Part B drugs in attached document
100%	Part D event data	2009-2011	Patients received plerixafor or cyclophosphamide, or medication prescription (Part D) in attached list  *Please take extra step to provide cohort count per drug type.
